## ABOUT ME

I am a dedicated Computer Engineering student with a passion for applying academic knowledge in real-world technology solutions. With practical experience gained through internships and virtual programs, I have honed my programming and problem-solving skills, particularly in Python, and Java. Eager to contribute to innovative projects and further develop my expertise.

## EDUCATION

### B.E in Computer Engineering

Pillai HOC College of Engineering  
Year of Study: 3rd Year  
Current CGPA: 7.7

### HSC (March 2022)

Uran Education Society English Medium School  
and Junior College  
Percentage: 77.83%
